Contests, Prizes and T-shirts, Oh My!

The Bike Week t-shirt shop is now open!

Blue is the colour of my true love fair... and we're showing our love for our volunteers this year by decking them out in these gorgeous blue Bike Week tees!

They are also available [for purchase](#) for anyone who wants to show off their Bike Week pride, and they come in a variety of styles and colours. We also have hats, technical tees, and other great stuff. Check out our [awesome shop](#)!

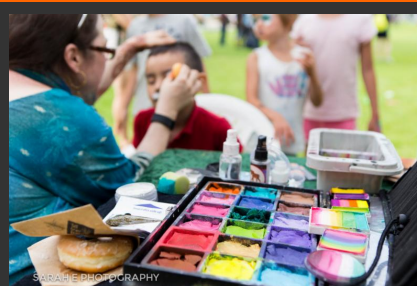

All our gear is printed and supplied by Instant Imprints Polo Park: we love those guys!

Streetside Developments

"Streetside recognizes that when it comes to condos, the accessibility of their locations is just as important as the design and construction of our buildings. People are seeking an urban lifestyle that allows them to get around on foot or to cycle everywhere they need to go. We're proud to sponsor Bike Week Winnipeg as it's in line with the values and the lifestyle of many of the condominium communities we offer."
