

Gearing Up!

Bike Week is just over two months away.

In the meantime, there is still lots to look forward to to celebrate cycling in spring! We wanted to reach out and let you know about a cool conference happening in Winnipeg this weekend: ModeShift (read on), and a unique cycling event to raise awareness and funds for Learning Disabilities of Manitoba- Bob's Bike Ride.

Need a spring tune up?

Stop by and see our pals at the Winnipeg Repair Education and Cycling Hub (The WRENCH), they'll lead you through the steps to get your bike in working order. Open shop hours are Thursday 12:00-5:00 pm at 1057 Logan Avenue. Visit <http://thewrench.ca>

The WRENCH also has a load of reconditioned bikes for purchase, so saddle up and see if one is for you!
